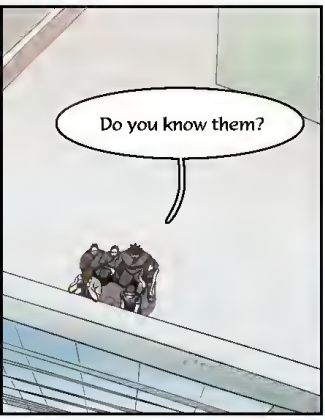
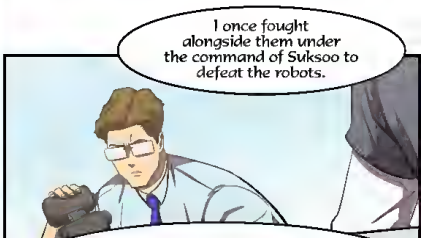
It's them.



Do you know them?



I once fought alongside them under the command of Suksoo to defeat the robots.

Their combat capability is predictable enough. I think it's better to go down from over there.
Hmm.

Do we really have to fight them...?
It doesn't feel that right... normally, I'd really want to beat them up.
You're being too soft. That will get you killed. Go in with the intent to kill.

Why are you ordering us around!?
We're done taking orders from Suksoo Gramps!
Hmph. Your brother and I share the same reasoning!!

You're not acting very honorable.

If you don't resist, I'll spare your lives because of our former camaraderie.

I won't give up! Especially to you!

If you don't want to die, then tell me where Eun Aran is.

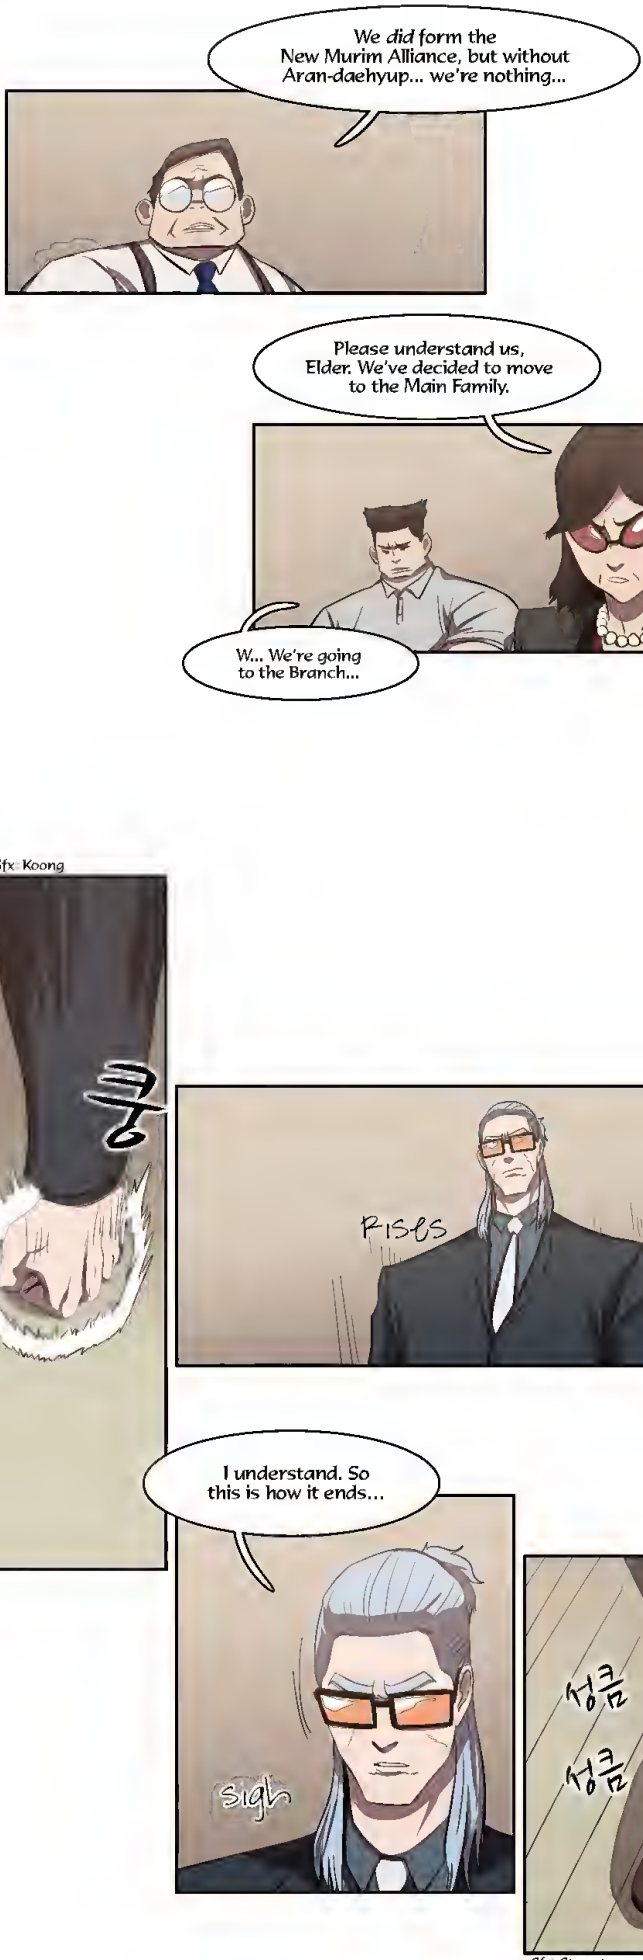
Sit down, everyone.

I don't see your disciples. Where is everyone?
.....

Pardon me, Elder Suksoo, but I've heard that Aran-daehyup went over to the Branch.



We did form the New Murim Alliance, but without Aran-daehyup... we're nothing...
Please understand us, Elder. We've decided to move to the Main Family.
W... We're going to the Branch...

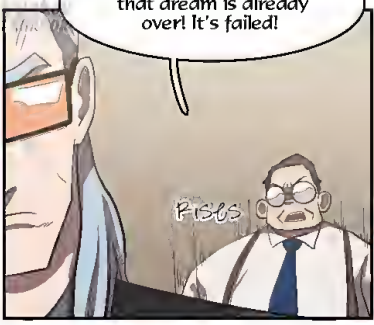
I dreamed that I could form a new balance by training Aran into the greatest master.

With "Monstrous" Ki from the Grand Master, it was possible to hold a new balance.

I wanted to share that fate with everyone...

Elder Suksoo, that dream is already over! It's failed!



It isn't over yet.
